Continuation of Substance of Interview including description of the general nature of what was discussed: I contacted Mr. Sanders to propose that he obviate a double-patenting issue with respect to several issued patents by filing a terminal disclaimer. Mr. Sanders was unable to obtain approval for the terminal disclaimer from a representative for the assignee of this application within the necessary time frame. I contacted Mr. Sanders again on October 8, 2010 to inform him that an action would be mailed with the rejections we had discussed.
